Thank you, Marie.

I also marked this date and time for the next meeting of the [Homelessness & Poverty Initiative Summit](#) series.

Lots being discussed on this issue right now. Just a heads up that the series of meetings mentioned above requires you to register.

Best,
LH

Subject: Informational Hearing on Homelessness, OCT 22, 2015, Los Angeles

You are invited to join Senator Liu and the Senate Transportation and Housing Committee for an Informational Hearing on Homelessness to be held:

Thursday, October 22, 2015
9:00 am – 12:00 pm

Board of Public Works Session Room
Los Angeles City Hall, Room 250
200 North Spring Street
Los Angeles, California 90012

This hearing will provide members and the audience with critical information about California's homeless population. Experts will discuss the cost and economic impacts of homelessness. Panelists will also highlight successful local programs and best practices for ending homelessness. As communities across the state

struggle to address homelessness, it is clear that California needs a more comprehensive strategy developed through collaboration among all the stakeholders and more resources to support local and regional efforts.

Street parking and public lots are available on Main Street for a cost. The hearing is open to the public and will be live-streamed online via the [California Senate Events](#) website. The link will be live at the start of the hearing. Background information and the hearing agenda will be available at the [Senate Transportation and Housing Committee](#) website.

Please excuse the late notice. For any questions, please feel free to contact our Capitol Office at 915-651-4025 or the Senate Transportation and Housing Committee at 915-651-4121.
